A woman with short, wavy blonde hair is shown from the chest up, wearing a dark, textured jacket. She is looking slightly to her right and has a slight smile. A speech bubble originates from her mouth, containing a quote in a stylized, outlined font. The background is blurred, showing what appears to be an indoor setting with warm lighting.

When I am President, I will  
finish the job Hillary started  
and let Russia buy the 80%  
of American uranium mines  
they don't already own.

A man with short dark hair, wearing a dark suit, white shirt, and dark tie, is looking upwards and to the right. A large thought bubble is positioned above his head, containing text. The background is a plain, light gray.

How can I best  
finish what Hillary started and

uranium mines they don't already

A man with short, light-colored hair, wearing a dark suit, white shirt, and a blue patterned tie, is shown from the chest up. He is holding a microphone in his right hand and appears to be speaking. The background is dark and out of focus. A white speech bubble with a black border is positioned to the right of his head, containing the text: "As a puppet of the BIG OIL MONOPOLY, I will blame all our sins on the Liberals and NDP." The text is in a bold, sans-serif font, with "BIG OIL MONOPOLY" in all caps.
